RE: Mission Printer Reference C121-1021

Date: Thursday, March 09, 2017

To whom it may concern,

This memo is in regards to the Mission Printer Reference C121-1021. The printer which is offered as an optional accessory for use with several ACON Laboratories medical devices does not meet the definition of a medical device accessory. The printer is however CE marked in accordance with the EMC directive 2004/108/EC, the LVD directive 2006/95/EC, and the RoHS directive 2011/65/EU.
