

OTOPLUS DC

DATI TECNICI TECHNICAL DETAILS/DETAILS TECHNIQUES

Tensione di alimentazione Power supply tension Tension d'alimentation électrique	220/240 V
Frequenza Frequency/Fréquence	50 Hz
Potenza assorbita / configurazione max Absorbed power, maximum configuration /Puissance absorbée, configuration maximum	1200 VA
Peso / weight / poids	120 kg
Numero massimo strumenti Instruments maximum number Numéro maximum des instruments	4
Massima portata aria Maximum air capacity Capacité maximum air	26/min variazione fino a 250 Kpa variance until 250 Kpa variance jusqu'à 250 Kpa
Aspirazione/suction/aspiration	-86 Kpa (645 mm Hg, 40 lt./min)
Fusibili alimentazione Fuses power supply Alimentation fusibles	F1, F2=6,3 AT
Fusibile presa esterna Fuse external plug Fusible de la prise de courant externe	F3=4 AT
